

Thomas Heinz New York

Thomas Heinz has specialized in hair coloring and cutting for over 30 years. He is regarded as one of the top colorists in the industry.

His career began when he was a young teenager at the age of 13 at the German-French border. Young Thomas did hair for punk rockers and the fashion jet set in the finest retro shop to earn his living. As a son of a window dresser and a fashion illustrator he was exposed to the latest trends from Paris, London, Milan and Berlin in the early eighties.

Thomas started his professional apprenticeship at 15 in a high end salon which was frequented by Parisian clientele. He was also assisting at fashion shows for iconic designers such as Jean Paul Gaultier, Claude Montana, Azzedine Alaïa, Comme des Garçons and Issey Miyake. He was already highly respected as a lovable *enfant terrible!*

Since his arrival in NYC in the early nineties, Thomas has established himself by bringing his extensive knowledge into advertising campaigns for companies such as L'Oreal, John Frieda, Revlon, Wella Clairol, Schwarzkopf and Pantene. He continues to work with top model agencies such as IMG, Supreme, NEXT, Ford and Elite, and has done editorials for many fashion industry publications including Vogue Italy, Vogue UK, Vogue Germany, Vogue Russia, Vogue Paris, American Vogue and W Magazine. Thomas has also worked with designers including Pierre Balmain and Giuseppe Zanotti.

Thomas's clientele includes many models and celebrities such as Candice Swanepoel, Doutzen Kroes, Maggie Siff, Christy Turlington, Anja Rubik, Lou Doillon, Justin Theroux, Liv Tyler and U2's The Edge. He also caters to the in-the-know men and women of style, including an international clientele that see him when they are in New York. He is also known as the go-to guy for corrective color/cuts in the industry.

Thomas opened his first own small, under the radar boutique atelier: Thomas Heinz New York in 2004 in Manhattan's Meatpacking District. He has now relocated to his new, larger atelier. **The new Thomas Heinz New York is a relaxing and calming oasis in New York's hip Fi-Di Neighborhood that is both salon and production space in a creative environment.** You enter a light-flooded, serene space that features an elegant, minimalist ambiance and a private terrace redolent with gardens for lounging outdoors.
